Saints Pères Neuroscience Seminar Series

Friday, October 9th, 2020 at 11:30

Salle des Conférences (R229)

Centre Universitaire des Saints-Pères

45 rue des Saints-Pères, 75006 Paris

Gregory Gauvain

Institut de la vision - Paris - France

*Optogenetics for vision restoration:
toward clinical trials*

Using vector and genetic constructs most suitable for vision restoration in patients with retinopathies, we have demonstrated temporal resolution compatible with highly dynamic visual scenes and a visual acuity above legal blindness
